HOME PERFORMANCE WITH ENERGY STAR 2008 NATIONAL SYMPOSIUM

DRAFT AGENDA

The goal of the National Home Performance with ENERGY STAR (HPwES) Symposium is to continue building program infrastructure with national leadership and stakeholder involvement.

"What is Home Performance with ENERGY STAR?"

Sunday, April 6th

7:00 to 8:30pm

Patricia Plympton – Navigant Consulting and Marc Milin - ICF

This session is for new and emerging programs with a broad introduction to HPwES and its value as an existing energy efficiency program. Participants will learn what is needed and how to start a HPwES program. Potential program sponsors (utilities and state governments) will have opportunity to meet the National HPwES Team and successful leaders of other programs and ask any HPwES program start up questions. *This session is not intended for veteran HPwES program participants.*
