## Certificate of Attendance (Verification for your employer or for your personal records)

Do you need verification that you attended the conference? Please pick up the **green** verification form from the CEU table. You must **get 9 out of 15 sessions stamped by the session assistant** at the end of every session. At the end of the conference, turn the green sheet in at the registration desk.

Certificates of Completion are sent via email after the confirmation of complete attendance. Please make sure your email address is printed clearly.

## Continuing Education Credits

The 2010 ACI National Home Performance Conference is approved for AIA, ASHI, BPI, InterNachi, NARI, and NATE CEUs. In order to receive credit, participants will have to track their sessions.

**AIA:** Please take the **yellow verification form** from the CEU table. At the beginning of each approved session, make sure to sign the session sign in sheet. You must **sign the yellow AIA form at the end of each session** in order to receive credit. If you need a certificate of completion, please have your yellow verification form stamped and turn it to the registration desk at the end of the conference.

**ASHI:** Please take the **pink verification form** from CEU table. At the beginning of the each approved session, make sure to sign the session sign in sheet. You must **get the form stamped at the end of the session by the session assistant** in order to receive credit. Turn in your form to the registration desk at the end of the conference.

**BPI:** Please take the **cream verification form** from the CEU table. At the beginning of each approved session, make sure to sign the session sign in sheet. You must **sign the cream BPI form at the end of each session** in order to receive credit. If you need a certificate of completion, please have your cream verification form stamped and turn it to the registration desk at the end of the conference.

**InterNACHI:** Please take the **orange verification form** from CEU table. At the beginning of each approved session, make sure to sign the session sign in sheet. You must **get the form stamped at the end of the session by the session assistant** in order to receive credit. Turn in your form to the registration desk at the end of the conference.

**NARI:** Please take the **tan verification form** from CEU table. At the beginning of each approved session, make sure to sign the session sign in sheet. You must **get the form stamped at the end of the session by the session assistant** in order to receive credit. Turn in your form to the registration desk at the end of the conference.

**NATE:** Please take the **grey verification form** from the CEU table. At the beginning of each approved session, make sure to sign the session sign in sheet. You must **sign the grey NATE form at the end of each session** in order to receive credit. If you need a certificate of completion, please have your grey verification form stamped and turn it to the registration desk at the end of the conference.

## RESNET CEUs are not available

RESNET CEUs are NOT available at this event due to recent changes in RESNET policy. Please contact RESNET for additional information.
