

ACI Home Energy Retrofit Summit PRELIMINARY PROGRAM

Monday, April 19

1:00 PM – 5:00 PM

Welcome & Plenary Session

Charles Segerstrom, ACI Board Chair, PG&E, Director of Training Centers

ACI Welcome

1:15 PM – 1:45 PM

John Tooley, Advanced Energy

Mr. Tooley will give an overview of the urgent need to gear up and touch on the science of opportunity. He will also point to pathways to success based on previous national transformation, including the rapid ramp up to meet the challenge of the Second World War.

1:45 PM – 2:15 PM

US Congressman Peter Welch (Vermont)

Champions of sound energy policy in the U.S. Congress will discuss the critical role of energy efficiency in the residential sector and how it is being addressed in current legislation.

2:15 PM – 2:35 PM

Kathleen Hogan, Deputy Assistant Secretary for Energy Efficiency, Office of Energy Efficiency and Renewable Energy (EERE), U.S. Department of Energy

Ms. Hogan will discuss federal initiatives that DOE is developing and delivering to improve the efficiency of existing homes.

2:35 PM – 2:50 PM

Dian Grueneich, Commissioner, California Public Utilities Commission

Building on a strong history of innovative and successful programs, California is poised to launch the most ambitious attempt to retrofit existing homes at scale throughout the state. Commissioner Grueneich will provide the backdrop for, and overview of this country-leading initiative.

2:50 PM – 3:10 PM

Break

3:10 PM – 3:30 PM

Stephen Cowell, Conservation Services Group

Mr. Cowell will provide an overview of the existing state and federal retrofit legislative landscape, global market impacts, and shed light on expanding market opportunities

3:30 PM – 4:30 PM

Energy Retrofit Industry: The Leading Edge

Gain insight from three companies that are revolutionizing the home retrofit industry.

As of 4/15/10

Panelists:

Matt Golden, *President, Recurve*
Brett Knox, *President, GreenHomes America*
Larry Laseter, *President, WellHome*

4:30 PM – 5:15 PM

Ramp Up: Resources & Technology

Discover how current industries are preparing to meet the challenges, demand and opportunities that lie ahead.

Panelists:

Stephen Crouch, *Johns Manville*
John Hurst, *Lennox International*

++

5:15 PM – 6:15 PM, VIP Reception

Tuesday, April 20

A.M. Sessions, 9 AM - Noon

The Price of Business: Finance Mechanisms

In order for the private sector to meet the goal of one million retrofits, access to financing is crucial. Panelists will discuss emerging trends and opportunities available including PACE, EEMs, revolving loan funds, and on-bill financing.
Session Chair: **Rick Gerardi**, *Vice President, WellHome*

Panelists:

Cliff Stanton, *Renewable Fund*
Merriam Fuller, *Lawrence Berkeley National Laboratory*

++

HOME STAR: Go for Gold

Proposed national incentives for residential efficiency retrofits will help address America's urgent need for job creation in the troubled construction and manufacturing sectors. Explore lessons learned and utilize success strategies from state and local programs.

Session Chair, **Matt Golden**, *President, Recurve*

State & Local Programs: Secrets to Success

Session Chair, **Dale Hoffmeyer**, *Acting ENERGY STAR Home Improvement Team Leader, US EPA*

Panelists:

Sue Hanson, *Wisconsin Energy Conservation Corp*
Diane Ferington, *Energy Trust of Oregon*
Maggie Ramos, *Long Island Power Authority*
Karen Villeneuve, *NYSERDA*

As of 4/15/10

Devon Hartman, *Hartman Baldwin/Design Build*
Larry Taylor, *AirRite Air Conditioning*
Chris Strand, *Strand Brothers*

Lunch

12:30 PM – 1:30 PM

Keynote, TBD

PM Breakouts

2:00 PM – 5:00 PM

Quality Assurance Strategies That Work & Implementation Lessons Learned

When dealing with market transformation and company success, poor quality can decimate the public opinion of an industry. Explore issues and strategies that are front and center in the retrofit market.

Session Chair, **Larry Zarker**, *CEO, Building Performance Institute*

Panelists:

David Abrey, *GreenHomes America*

Ben Adams, *Magrann Associates*

Jim Cleveland, *Honeywell*

Rick Gerardi, *Wellhome*

Jim Grevatt, *VEIC*

John Jones, *Building Performance Institute*

Tom Turner, *Austin Energy*

Chandler von Schrader, *US EPA*
